## RESUME OF KEY TEAM MEMBER

### Principal Architect:

Robert L. Smith, AIA

### Education:

- University of California Berkeley, CA – Bachelor of Architecture 1982

### Certificates:

- Licensed Architect – Idaho

### Affiliations.:

- Former American Institute of Architects, Local & National Member
- Building Owners & Managers, Local & National Member

Bob Smith will serve as the **secondary point of contact** for the project. He will serve as the liaison during the preparation of construction documents.

Bob's previous efforts have included a focus on complex buildings and systems to accommodate the constantly changing security, communication, and data systems necessary to run them properly. Bob will work closely with Don and the consultants to ensure that the building systems encompass the "long term" and flexibility needs of the client. Bob offers vast experience with:

- Code analysis
- Budget review
- Specification writing
- Construction documentation
- Owner transition

Bob's expertise includes:

- Project troubleshooter – finding the potential problems before they are a reality
- Being on-site during key construction phases
- Accurate, quality controlled construction documentation
- Working with Construction Managers on complex, time critical communication projects

### Relevant Experience:

Bob has served as both the Principal Architect and Principal-in-Charge on a wide variety of projects for the following clients:

- Qwest Communications – **Hi-Tech facilities**
- City of Boise – Public Works Department
- Independent School District of Boise
- Benetex Development
- Oppenheimer Development
- Simplot
- State of Idaho –
  - ✧ Division of Public Works
  - ✧ Department of Lands
  - ✧ Health & Welfare
  - ✧ Boise State University
- numerous other private industry clients

*"Bob has demonstrated knowledge of all facets of building design and construction including site and space planning and roof design, as well as construction management."*

Clif Squires, Former Manager  
Real Estate Division Qwest Communications
