

Basic Qualifications

RESUME OF KEY TEAM MEMBER

Principal-in-Charge:

Don P. Hutchison, AIA,
NCARB

Education:

- Meramac College, St. Louis, MO – Architecture 1971
- Washington University, St. Louis, MO – Urban Planning

Certificates:

- Licensed Architect – Idaho, Utah, Oregon, Washington, Wyoming
- NCARB Certified

Affiliations.:

- Former American Institute of Architects, Local & National Member
- Council of Educational Facility Planners, Local & National Member
- Eagle SDA School Board Member, 1983-1996
- AIA Past Committee Chairman

As the Principal-in-Charge, Mr. Hutchison will serve as the **primary contact** and will coordinate the work, as well as be **responsible for the day-to-day management** of project tasks. He will attend, with key consultants, all meetings and will make sure that commitments are kept. Don will also be responsible for maintaining the project schedule.

Don offers extensive experience in managing and coordinating the efforts of multiple stakeholders involved in State agency projects. His experience has resulted in:

- Insight to avoid recurring problems
- Designs that minimize maintenance & operations costs
- Ability to coordinate efforts of multiple entities involved in a project

Don's expertise includes:

- Life-cycle cost analysis as a tool to select building systems
- Building programming to establish current & future needs
- Ability to work with and coordinate multiple entities through efficient project management
- Knowledge of construction process needs and challenges
- Working with construction managers on multi-million dollar projects

Relevant Experience:

Don has served as Principal Architect on a wide variety of projects for the following clients:

- Boise State University – Teaching Laboratory Remodel & Fume Hood Upgrade
- AIM Corporation – Research & Development facility
- Aberdeen School District – Educational & athletic spaces
- City of Boise – Public Works Department
